## Achievement-Trust Program

The Achievement-Trust Program, (A-T), is a system by which the community life of St. Bernard Prep School is organized according to an individually based disciplinary system. It is described in detail in the *Student/Parent Handbook*.

I have received the Student/Parent Handbook, which includes general school rules, the Achievement-Trust Program, and Student Council by-laws. I agree to become familiar with this book. I understand that my teenager is expected to abide by these guidelines and will have privileges and restrictions on a two-week basis dependent on the level he/she earns.
