

St. Bernard Prep School

Weekend Expectations

Student Name: _____

St. Bernard Preparatory School is to assume that the above-named boarding student will be returning home each weekend/holiday. If other plans are made (staying at School, visiting elsewhere, etc.) I will notify the School office by 10:00 a.m. on Friday or the day the student will leave campus. Please reference *Student/Parent Handbook* section 6.2 page 24. If there are specific traveling instructions (driver of vehicle, time of departure, etc.) that must be observed, I will inform the School.

Permission:

- A boarding student who wishes to visit another student's home over the weekend or holiday must have permission to do so from his or her own parents as well as parents of the host student. This permission from the guest student's parents and the parents of the host student may be written or verbal (usually by telephone) and must be given to the Headmaster's office before 10:00 a.m. deadline. On occasion the office may call the parents back to confirm the permission. Co-ed weekend visitation is not encouraged by the School. ***Failure to comply by either party requires that the student remain on campus for said weekend.
- Parental permissions are to be received by the office before 10:00 a.m. on Friday or the day the student leaves. If the School receives no specific permission, it is understood that the student is going home.
- All other plans, including staying in the dorm on the weekend or visiting a friend, require notification. Failure in this regard will result in the loss of 4 A/T points. Repeated violation of this rule may result in other disciplinary action.

Returning to campus after a weekend or holiday:

- Students are required to be on campus and sign in at the dorm by 9 p.m. on the evening before classes resume. If a student will not be able to meet this deadline, the student is to insure that his/her parent or guardian call and notify the Dorm Director before 9 p.m. that same day. This requirement is to be met even if the student noted a late or next-day return on the weekend sheet. Please reference paragraph 6.3 on page 25 of the *Student/Parent Handbook*.

I realize that St. Bernard Preparatory School requires this information so that the School will be aware of my expectations for my son/daughter.
